

NEWSLETTER

SAFETY AND SECURITY

The most incidents occurring are vehicle break-ins where stolen batteries and radios tapes are taken. Our Public Safety Officers are aware of these issues and are doing what they can do to reduce the number of incidents, but we urge residents to ensure that valuables are not left unattended in your vehicle and avoid using your cellphone while out at night and during the day.

While we are lucky to have less contact crime in our area than in neighboring areas, practice vigilance at all times.

ARREST

We continue to encourage residents to report any suspicious activity to our 24/7 Control room 079 108 8107.

LETS WORK TOGETHER TO KEEP OUR AREA SAFE

URBAN MANAGEMENT

We are in the process of focusing on beautifying Howard Drive. This is a work in progress as we have started painting the wall and will be planting in the next couple of days. We ask that our surrounding residents please keep an eye open when planting is completed up until we have secured Howard Drive beautifying.

The NCID is looking for a community member that could assist in drawing the NCID logo and control room number onto the wall at Howard Drive. All equipment will be provided and all we would need is your time, if you are willing to do so for the community.

Saturday | 18 June 2022 | 10:00 am - 12:30 pm

EVENTS HELD DURING MAY

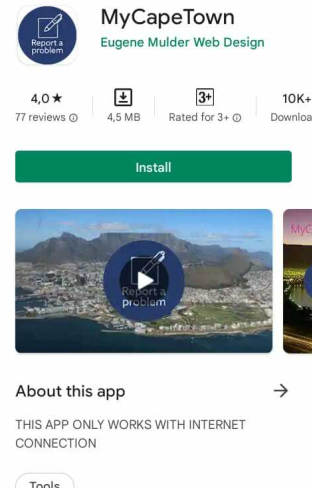

The NCID held a pool tournament on the 27th May to the 29th May 2022 at Scottsdene Recreation Centre. We had a poor turn-out from our very own Northpine community, unfortunately Northpine Community Hall has been booked for the year we had opted for Scottsdene Recreational Centre in the hope of bringing our community together.

There will be many events held within this year (2022) and hope that no matter where the location is, our Northpine Community would attend and support.

MYCITY APP / C3 NOTIFICATIONS

To log all City related queries the fast way all residents are now able to download the MyCapeTown app from Google Playstore. By logging any fault i.e. street lights not working; potholes; drain covers missing; flooding of road etc. Alternatively, notifications can be logged online using the following link: CCTV service requests

https://eservices1.capetown.gov.za/coct/wapl/zsreq_app/index.html

RESIDENT CONTACT DATABASE

The Northpine CID would like to get to know our residents to ensure your safety. We would require one person from each household to complete following the link that will be provided on the Northpine CID page on Facebook in due course.

All your personal information is and will be kept in accordance with the Personal Information Act 4 of 2013 (the "POPI Act")

With this information our reporting and noting of incidents and any suspicious vehicles will be easily noted and in an event of emergency our control room would know exactly who to make contact with.

Weekly updates will be sent to all respective emails listed within the document, this to ensure that the entire Northpine community gets the same communication as not all are on Facebook.

We urge all residents unable to complete the database on the link provided / have no access to the internet to please come to the control room to complete the form, after the form is completed at the control room a brown box that is secured will be placed where all forms can be placed.

Alternatively, a form can be sent to your respective emails upon request.

Should you have any enquiries please do send them to info@northpinecid.co.za or 079 108 8107.
