LOCK Your Car	TAKE Your Keys	HIDE Your Stuff	REPORT Suspicious Activity
-------------------------	--------------------------	---------------------------	--------------------------------------

Reported incident regarding the vehicle stolen in Howard Drive has since been found on the same evening 14 April 2023 at 22h45pm.

Should you notice any suspicious activity our Control Room is on Whatsapp 24 hours and can be contacted 079 108 8107.

Furthermore, no serious incidents have been reported.

We continue to urge all our residents to please ensure that vehicles are locked with an alarm system and all valuables are out of the eye and secured inside your household when vehicles are left unattended.

Complaints regarding noise has seen an escalation - we ask all residents to please be mindful towards neighbours to inform of any events/parties or loud noise that may occur in the surrounding area. Music to be turned off at 12am. Should music be of a nuisance please report all loud music please contact Law Enforcement 021 480 7700.

URBAN MANAGEMENT

We have once again noted that dumping occurred once again in Wolwefontein. Please do not place your rubble, sand in those waste bins or discard of them on our Public Open Spaces there are facilities that offer services for rubble and sand removals.

The amount of dirt been dumped in our area from our own residents and their waste makes it difficult for our cleaning teams to focus on a different section of Northpine whereas the same areas to remove waste keeps having to be attended to. Let us please be considerate to our community members who have to face opening up their front doors to look into dirt been dumped.

C3 Notification - City of Cape Town service requests

To report any City related faults residents are more than welcome to log a service request for faulty lights in their street; potholes; sewerage; lost and stolen bins to
