# The NCID role and our responsibility

## VISION OF THE NORTHPINE CID

To establish an attractive and welcoming environment where citizens feel safe and secure, and visitors feel welcome.

## MISSION OF THE NORTHPINE CID

Address challenges in the community by revitalizing the neighborhood through focused urban management and community participation. To improve service delivery.

## GOALS OF THE NORTHPINE CID

- Provide municipal top-up service.
- Promote economic growth in hosting market days.
- Ensure public safety in Northpine.
- Increase participation in community projects through social community efforts such as clean-up events, community gardens.
- Facilitate better service delivery with the CoCT.
  - Communicating with the relevant departments in relation to complaints.
  - Follow-ups on incidents logged via communication channels such as C3 notification.

# Please Note!

- Our control room number remains the same since the inception of the CID - **079 108 8107**.

- All incidents to be reported to the Control Room and not placed on Facebook.
- Magnets of the control room number is available at the entrance of the hall.
- SJC control room in Brackenfell is not the same as Northpine CID - refrain from using the number.

- We have noted during the month of March 2023:

- Floodlights/security lights, car batteries have been stolen in the area.
- One incident reported of a vehicle stolen, was found the same evening.

- All property owners still have a duty to ensure that properties are always secured

- Home alarm systems are in working condition and activated.
- Vehicles with an alarm system, to be activated when not in use.
- All valuables are placed in a secured place - vehicles and homes.
